

Know How 2 Go!

Step 1: Find Someone to Help

1. Who am I going to ask to be on my "I'm going to college?" team?

2. Why do I want these people on my team?

Step 2: Push Yourself

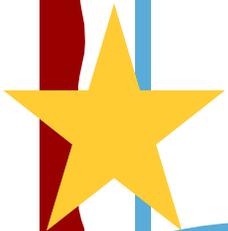

1. How am I going to push myself in the 8th grade? What are some things I'm going to do?

2. How can I get involved in my school and community?

Step 3: Find the Right Fit

1. Make a list of your skills and interests. Think hard about what you enjoy and what you are good at.

I've Got What It Takes!

2. Using the bigfuture.org website, research careers that use the skills you listed on the previous page. Write some ideas down here.

3. Using the bigfutures.org website, find out what colleges offer programs that can prepare you for one of the careers you listed above.

4. What are some other things you're going to consider (size, location, etc.) to find the right fit for you? Why?

Step 4: Put Your Hands On Some Cash

1. What's one thing you can do as a middle school student to put your hands on some cash for college?
