Questions & Answers

Q: How are students selected to participate in the “Senior Signing Day” ceremony?

A: Every senior who registers by the deadline, Tuesday, April 12th, will be recognized in the ceremony. Please register ASAP. This will allow the planning committee more time to plan the ceremony. Registration forms will be passed out during Mentor on March 10th and available in the counseling center. Students can either turn in the registration form to the Counseling Center or use the QR code on the form to register online. Students only need to use one method to register.

Q: What if I haven’t decided on a school by the registration deadline?

A: If you have not decided on a school/program by the registration deadline, you should register for the school you are leaning towards. We know students may need more time to decide, but you are still committing to continuing your education after high school and that’s what we want to celebrate. You will be asked to identify a school/program when you register for the event so we can provide you with a pennant to raise when making your post-secondary declaration.

Q. What will happen if my I change my school/program after the ceremony?

A. You can change your mind after the ceremony. We will not be informing school representatives that you will attend that school, so you don’t need to worry about declaring one school in the ceremony and making your final decision to another. The certificate you will sign during the ceremony will only state that you are committed to continuing your education after high school and you can take your certificates home with you after the ceremony.

Q. What can be considered an “Apprenticeship?”

A. Apprenticeship opportunities are available through a variety of ways, including the Washington State Department of Labor and Industries and the Community Colleges of Spokane. In apprenticeship training, you learn while you're employed. In addition, on-the-job training is supplemented by formal classes each year. The training period, or apprenticeship, varies in length from one to five years according to the complexity of the occupation you select. If you would like to join the workforce immediately after graduation, we encourage you to consider an apprenticeship.

Q. What is the dress attire for the ceremony?

A. You should dress nicely to celebrate your accomplishments and commitment to continuing your education, similar to how you will dress for your high school graduation or other academic ceremony. We don’t expect students to purchase new clothing for this event.

You are invited to our 2nd Annual
“Senior Signing Day”

Thursday, April 21st, 2016

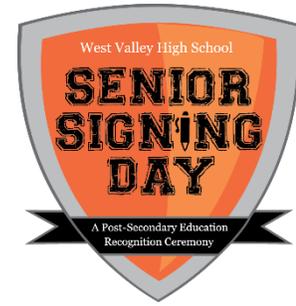

9:30 – 10:30 am

West Valley High School

**A ceremony recognizing all seniors
committing to a post-secondary education program:**

**Apprenticeship • Technical Professional • Military
2-Year College • 4-Year University**

Senior Signing Day

12th Grade Parents and Guardians,

On behalf of West Valley High School, it is my pleasure to invite you to attend our 2nd Annual "Senior Signing Day", Thursday, April 21st, 9:30 – 10:30 a.m. in the main events gym. This ceremony will recognize all seniors who are committing to continue their education after high school in a post-secondary program.

We hope you will attend to both celebrate with your student and because we believe that you are an integral part of your student's academic success beyond high school. Following the ceremony, students will have an opportunity to meet with a post-secondary representative.

Seniors will be recognized in one of the following post-secondary programs:

- Apprenticeship Program
- Technical Professional
- Military
- 2-Year College
- 4-Year University

On the following page, I have included some questions you may have about the ceremony. If you have any others, please contact me or your student's counselor. Thank you in advance for your support of this event to encourage West Valley students to pursue a post-secondary education.

Sincerely,

Rosalie Sigler, MSW
GEAR UP Coordinator
West Valley High School
(509) 340-7103

Questions & Answers

Q: How are students selected to participate in the “Senior Signing Day” ceremony?

A: Every senior who registers by the deadline, Tuesday, April 12th, will be recognized in the ceremony. Registration will open March 15th and close April 12th. Registration forms will be available in the counseling center and through a QR code online that will be available on posters displayed in our school. Students can choose either method to register.

Q: What if my student hasn’t decided on a school by the registration deadline?

A: Students will be asked to identify a school/program when they register for the event so we can provide them with a pennant to raise when making their post-secondary declaration. If a student has not decided on a school/program by the registration deadline, they should register for the school they are leaning towards. We know students may need more time to decide, but they are still committing to continuing their education and that’s what we want to celebrate.

Q. What will happen if my student decides to change their school/program after the ceremony?

A. Your student can change their mind after the ceremony and it will not impact their college application process. We will not be informing school representatives that your student will attend their school, so students shouldn’t worry about declaring one school in the ceremony and making their final decision to another. The certificate they will be sign during the ceremony will only state that they are committed to continuing their education after high school and students can take their certificates home with them after the ceremony.

Q. What can be considered an “Apprenticeship?”

A. Apprenticeship opportunities are available through a variety of ways, including the Washington State Department of Labor and Industries and the Community Colleges of Spokane. In apprenticeship training, you learn while you're employed. In addition, on-the-job training is supplemented by formal classes each year. The training period, or apprenticeship, varies in length from one to five years according to the complexity of the occupation you select. If students would like to join the workforce immediately after graduation, we encourage them to consider an apprenticeship.

Q. What is the dress attire for the ceremony?

A. We have asked all seniors who are participating to “dress nicely” to celebrate their accomplishments and commitment to continuing their education, similar to how they would dress for their high school graduation or other academic ceremony. We don’t expect students to purchase new clothing for this event. We know some parents may be attending the ceremony directly from your workplace, so please attend in the attire you are wearing. If you are able to dress in the same attire as your student, please feel free to do so.

You are invited to our 2nd Annual
“Senior Signing Day”

Thursday, April 21st, 2016

9:30 – 11:00 am

STEPS TO PARTICIPATE

1. RSVP TO:

Rosalie Sigler
GEAR UP Coordinator
rosalie.sigler@wvsd.org
(509) 340-7103

2. SAVE THE DATE:

Thursday, April 21st, 2016
9:30 – 11:00 am
West Valley High School
8301 E. Buckeye Rd.
Spokane, WA 99212

3. THINGS TO BRING:

- 1. Breakout-Out Session Presentation:** A 20-25 minute presentation with important details and deadlines for seniors attending your school/program to support their fall enrollment and prevent “summer melt.” All classrooms will be equipped with audio/visual equipment.
- 2. School Mascot:** Bring your school mascot, if you have one! The students love seeing college mascots and they will help us create a fun atmosphere during our ceremony.
- 3. Pennants:** Around mid-March, we will be contacting you with a rough estimate of the number of seniors who will be enrolling in your school/program this fall. Our hope is that your school/program will be able to donate a pennant for each student attending. During the ceremony, students will hold up their pennant when making their post-secondary education declaration. These pennants will be saved and used every year for future “Senior Signing Day” ceremonies. If your school/program does not have pennants, we will have them made by our computer design class. Please email Rosalie Sigler a logo that can be used to create the pennant.

4. WHAT TO EXPECT:

- **Senior Signing Day Ceremony, 9:30 – 10:30, Main Events Gym**
 - Introductions & Welcome
 - Post-Secondary Skit by Leadership Class Students
 - Senior Signing Day Post-Secondary Declarations & Signing Commitment Certificates
- **Post-Secondary Representative Break-Out Session, 10:35 – 11:00, Classrooms**
 - A 20-25 minute presentation with important details and deadlines for seniors attending your school/program to support their fall enrollment and prevent “summer melt.” All classrooms will be equipped with audio/visual equipment.
